

REPUBLICAN CLUB OF ROSSMOOR
President's Message
February 2017

Welcome, and thank you for visiting our website. The Republican Club of Rossmoor is enjoying its 52nd year! We are proud to be one of the largest Republican clubs in Northern California. While Republicans are enjoying control of the Presidency and both houses of Congress, California remains firmly a blue state. Join us in our fight against the Progressives drive towards the destruction of individual liberty.

From 1965 to today, we remain dedicated to the values of our Founding Fathers. We support Republican principles including: strong national defense, limited government, fiscal restraint, integrity, individual responsibility, free markets, and English as our official language. We are seniors for a government of principle above politics.

The Club is not a political action committee. We believe our members can best donate time and money to candidates of their own choosing. Candidates do speak at our meetings to make their views known and answer members questions.

Meetings are monthly at the Event Center with a full-course dinner catered by Scott's Seafood Restaurant. These meetings are a forum at which distinguished guest speakers discuss a variety of interesting topics. Dinner raffle proceeds provide for donations to charities serving veterans and their families. These monies also go towards a scholarship awarded to a high school senior for writing an essay focusing upon Republican views.

If you would like to enjoy fellowship and engaging conversation on topics of the day, please get acquainted with us at our monthly dinner meetings. The welcome mat is open!
