**VETERANS DAY**

*“It is foolish and wrong to mourn the men who died. Rather we should thank God that such men lived.” General George S. Patton*

This Saturday, November 11th is Veterans Day. The Republican Club of Rossmoor wishes to express our heartfelt gratitude to all Veterans for your service to our country. Our freedom and liberty is due to your sacrifices and to the men and women who have fallen.

Originally, this national holiday was known as Armistice Day to recognize the cessation of fighting of WW I on November 11th, 1918. This armistice went into effect on the eleventh hour of the eleventh day of the eleventh month. The “war to end all wars” was officially ended on June 28, 1919 with the Treaty of Versailles.

The following is the official communication from General John Pershing to the officers and soldiers who brought an end to WW I. It is a tribute to the character of our military forces that holds true today:

*G. H. Q.*  
*AMERICAN EXPEDITIONARY FORCES*

*France, Nov. 12, 1918*

*The enemy has capitulated. It is fitting that I address myself in thanks directly to the officers and soldiers of the American Expeditionary Forces who by their heroic efforts have made possible this glorious result. Our armies, hurriedly raised and hastily trained, met a veteran enemy, and by courage, discipline and skill always defeated him. Without complaint you have endured incessant toil, privation and danger. You have seen many of your comrades make the supreme sacrifice that freedom may live. I thank you for the patience and courage with which you have endured. I congratulate you upon the splendid fruits of victory which your heroism and the blood of our gallant dead are now presenting to our nation. Your deeds will live forever on the most glorious pages of America’s history.*

*There remains now a harder task which will test your soldierly qualities to the utmost. Succeed in this and little note will be taken and few praises will be sung; fail, and the light of your glorious achievements of the past will sadly be dimmed. But you will not fail.*

*Every natural tendency may urge towards relaxation in discipline, in conduct, in appearance, in everything that marks the soldier. Yet you will remember that each officer and each soldier is the representative in Europe of his people and that his brilliant deeds of yesterday permit no action of today to pass unnoticed by friend or by foe. You will meet this test as gallantly as you have met the tests of the battlefield.*

*Sustained by your high ideals and inspired by the heroic part you have played, you will carry back to our people the proud consciousness of a new Americanism born of sacrifice. Whether you stand on hostile territory or on the friendly soil of France, you will so bear yourself in discipline, appearance and respect for all civil rights that you will confirm for all time the pride and love which every American feels for your uniform and for you.*

*JOHN J. PEHSHING,  
General, Commander in Chief.*

So, this Saturday, thank a Veteran and celebrate their service.
