THE PRESIDENT'S MESSAGE

Hello fellow Republican Club Members! ,

I hope you'll join me in kicking off 2018 with this resolution:

Make Republicans Proud Again!

How long has it been since you have felt comfortable in a group admitting that you are a Republican? Do you hesitate to discuss politics in a mixed group? Are you afraid to put a Republican bumper sticker on your car?

JOAN LEONARD
President - 2018

I remember in my youth proudly wearing an "I Like IKE" button. Standing up for one's party was more like waving a college banner. It was a friendly competition -- no violence or fear. What happened?

As Californians, most of us have good friends who are Democrats. We know our differences and focus on what we have in common and avoid political discussions. Just as Congress needs to reach across the aisle, we as individuals need to do so too. Remember, we are all Americans and we should want what's best for the country.

The demonstration of the Democrats during the State of the Union speech was disgraceful! They sat on their hands and refused to recognize gains that benefit us all. The good news is that's apparently not the way most Americans feel. Our representatives are not always properly representing us. It's time we are heard.

Don't be afraid to talk about American issues with your Democrat friends. Remember, as friends, while they feel you are misguided, they love you even though you are a Republican! They only see you as misguided because of the mainstream media. Focus on agreement between both sides.

Yes, we are in agreement with the Dems on some things: new drilling in the Gulf and the Arctic (approved by Obama admin); reduction of drug prices; support for caregivers; repeal of the medical device tax; repeal of California's gas tax to name a few.

Maybe if constituents come together, so will our representatives!

BY DAWN'S EARLY LIGHT

TO BE SHOWN AT 4 PM, WEDNESDAY, MARCH 21, 2018, PEACOCK HALL

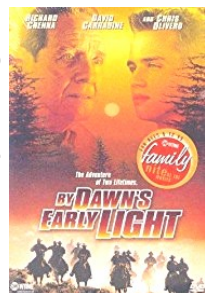

A grandfather (Richard Crenna) has his hands full when his Los Angeles-based angry teenage grandson is, against the boy's wishes, sent to stay with him on his Colorado Ranch.

The boy's insistence on being defiant leads to his desecration of the American Flag, to the public humiliation of his grandfather - which prompts the patriarch to grant the boy his wish - to be returned to Los Angeles.

The catch is they will travel together from Colorado to LA on horseback like old-time cowboys! The result is a bittersweet journey in life lessons set against a beautiful, rustic backdrop of the country.

This is a family film running 100 minutes is unrated and will be shown with language captions.

REJECT THE GAS TAX PETITION DRIVE

The count is in: 315 Signatures!

That's the total number of signatures we collected and sent to the Howard Jarvis Taxpayers Association in support of the Reject the Gas Tax Petition.

This initiative measure not only would eliminate the recently enacted increase in gasoline, diesel and vehicle registration fees but more importantly, would require any new measure to increase these fees be submitted to and approved by the electorate.

Many thanks to the team of **Volunteers Extraordinaire!**

Without your dedicated and enthusiastic efforts, we would not have been so successful. Thanks to everyone who sent emails, made telephone call to members, went to members' homes who could not attend the dinner, collected signatures near the Farmers Market in Walnut Creek, and circulated among the tables at the February dinner meeting.
